

## API INTEGRATION TECHNICAL GUIDE

Tebra has deprecated the previous Kareo API Integration Technical guide.

To ensure you are viewing the most recent version of the guide, access the API Integration Technical Guide from [Get Started: Tebra SOAP APIs](#). Click **API Integration Technical Guide** to view the content in the browser (e.g., Chrome, Firefox) instead of downloading a copy.

**Updated: June 2024**

## The Digital Backbone for Practice Success

Tebra is the digital backbone built for both patient and provider well-being. From practice growth technology to clinical and financial software, our complete operating system is structured to modernize every step of the patient journey and support the connected practice of the future.
